

12976 St. Charles Rock Rd.
Bridgeton, MO 63044

New Hauler Information

Effective January 1, 2025, Republic Services will be your new recycling and waste provider.

Due to the holiday, your first recycling and trash pickup will be Thursday, January 2. Then your service day will be every WEDNESDAY for recycling/trash.

Holiday Collection Service Schedule

There are six holidays that Republic Services observes: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. If a holiday falls on a weekday, all services on that day and the rest of that week will be delayed by one day. If the holiday falls on a weekend, there is no delay in services.

Additional Services

Bulk Pickup/Cleanup

TWO (2) bulk items will be collected for no charge on the first trash service day of each month. You must call customer service at **636.947.5959** to schedule this. For more than two items on the free day, or bulk at any other time, please contact customer service to receive a price quote.

Acceptable bulk items include carpet that is cut into bundles (no longer than 4', no more than 24" in diameter and must weigh less than 50 pounds) and furniture including chairs, couches, dressers, mattresses, tables, etc. Bulk items must fit in the front bucket of the truck.

Unacceptable bulk items include appliances/white goods (see additional information below), batteries, concrete, construction/home remodel debris of any kind, decking, drywall, fencing, kitchen cabinets, molding/trim, shingles, vinyl siding, etc., electronic waste including TVs, computer monitors/accessories, DVD/VCR players, etc., fluorescent light bulbs, lead- and oil-based paint, loose trash or trash in cardboard boxes, and yard waste.

Appliances/White Goods

Appliance pickup must be scheduled by calling Customer Service prior to collection. The cost per appliance is \$28.75. (Note: many appliance retailers or electric companies will collect appliances at no cost.)

Appliances must be placed curbside by 6 a.m. for collection.

Service Information

Recycling and Trash Service

Recycling and trash will be collected weekly EVERY Wednesday. Please place carts curbside on collection day no later than 6 a.m. to ensure service.

A 95-gallon trash cart is included with your service at no additional charge and will be delivered to your home no later than December 30.

Trash must be bagged and contained inside your cart. Recycling should be loose in the cart, and all recycling should be empty, clean and dry. Bags or boxes outside of your cart will not be serviced.

Trash carts are for common household waste and trash. Do not use them for batteries, building/construction materials, car parts, paint, recyclable items, tires, yard waste/compost (such as sod, dirt, rocks, etc.) or bulk items, such as furniture, bike parts, etc.

Note: recycling and trash materials are limited to carts only. Filled carts should not weigh more than 60 pounds.

Yard Waste Service

Yard waste will be collected weekly on Tuesday from March through December. Your first yard waste collection in 2025 will be on Tuesday, March 4 and every Tuesday weekly.

- ▶ Yard waste is collected weekly in biodegradable paper bags or a 32-gallon personal container (limit of 10 bags/cans).
- ▶ Bags or cans cannot weigh more than 35 pounds, and personal containers must be marked with a red "X" or "yard waste only".
- ▶ No plastic bags or cardboard boxes will be collected.
- ▶ Brush/limbs must be less than 4 feet in length and 4 inches in diameter; if more than 2 feet in length, limbs can be bundled together and tied with twine, placed at the curb.

Handicap Stop

If you are disabled and cannot place your cart at the curb for service, you may request a handicap stop. The driver will retrieve your cart from the front or side of your home (must be visible from the curb), service it and return it to its original location.

There is no additional charge for this service. Please call Customer Service at **636.947.5959** to set up this service.

Recycling Reminders

Did you know approximately 75% of household trash is recyclable?

The following items are perfect for recycling and will reduce the volume of trash your household generates.

PAPER & CARDBOARD

Do not bag your recyclable materials. Place them loose inside your recycling cart with the lid closed.

Please make sure your recyclables are empty, clean and dry before placing them in your recycling cart. This reduces the amount of contamination at the recycling centers.

METAL/TIN CANS

PLASTIC, GLASS & CARTONS

If you are unsure about recycling an item, remember: **When in doubt, throw it out.**

Visit **RecyclingSimplified.com** for more information on recycling.

Frequently Asked Questions

What happens if my Republic Services carts are damaged and/or broken?

Contact Republic Services to report the need for a cart exchange. Exchanges due to normal wear and tear are free. Cart damage due to negligence from a resident could result in costs toward a replacement cart. Republic Services is not responsible for damage to personal containers.

What if I have a medical condition that prevents me from getting carts to and from the curb?

Contact Republic Services at **636.947.5959** to receive assistance. Republic Services will instruct the resident on how to proceed.

Can I use my personal carts for recycling and/or trash collection?

No. Due to the trucks used to service your city, recycling and trash can only be collected in carts provided by Republic Services.

In the event of a missed collection, what do I do?

Residents can call Republic Services at **636.947.5959** or contact us via our app to report the missed collection.
